FOR IMMEDIATE RELEASE: MAY 12, 2008

Equity Commercial Real Estate, LLC announced today that Anthony D. Stevens has joined Equity as a Vice President and the newest member of their team. “We are very pleased to have Tony join us,” said Tom Gale, Managing Member of Equity. “Prior to forming Equity, the principals of our firm all worked with Tony at Wangard Partners, and we really feel like this is a homecoming.”

Tony was most recently with RFP Commercial, where he focused on office and industrial sales and leasing, exclusive tenant representation, and 1031 exchanges. Prior to RFP and Wangard Partners, Mr. Stevens had 20 years of diversified telecommunications management experience, including national account service, product development, marketing and project management. Mr. Stevens is a former member of the Journal Communications Board of Directors.

“I’m excited about the opportunity at Equity,” Tony said. “I’ve worked with most of the team, and look forward to collaborating with my new colleagues and helping our clients to address their needs in this changing marketplace.” Tom Gale added, “We have never set out to be the biggest firm in the area, but we do want to be a full-service firm offering the best service we can, and Tony is a strong addition to those capabilities.”

Mr. Stevens received his Bachelor’s of Science in Manufacturing Engineering from Bradley University in Peoria, Illinois. He is a member of the Commercial Association of Realtors – Wisconsin (CARW) and of the National Realtors Association.
