Former county official now real estate VP

David Zepecki, former Milwaukee County director of economic development, has been hired as a vice president and commercial real estate broker at Equity Commercial Real Estate LLC, the company announced today.

Zepecki, of Hales Corners, was economic development director from 1997 to 2002, when he left his job during a shakeup initiated by then-newly elected County Executive Scott Walker. Zepecki later was executive director of both the Plumbing and Mechanical Contractors Association and the Sheet Metal and Air Conditioning Contractors Association until 2005. He also was a County Board supervisor from 1992 to 1997.
